MOSCATO ROSA 2013 IGT delle Venezie

In the region Venezia, North east of Italy, Moscato Rosa is an indigenous grape, that generates a very typical wine with strong perfumes of red berries and a distinctive prevalence of raspberries.

Vinified off the skins after a cool maceration of one day, it shows a very charming ruby red color, a moderate intensity and an extraordinary soft taste thanks to absence of tannins. Still, perfumé, with a non aggressive residual sugar, the remarkable balance of this wine is the essence of its originality and value.
