VINO TRA FIORI E PIANTE

Nel passeggiare in giardino potrete ammirare, a seconda delle stagioni, la fioritura di un "artistico" glicine secolare, una maestosa magnolia, iris, rose delle Donne del Vino, rose Dionisia e tanti altri fiori. In tutte le stagioni, rigogliose qualità di edera che nel tempo hanno ricoperto facciate e ringhiere. Non mancano anche piante da frutto: kiwi, ribes, prugne...

WINE AND FLOWERS

Walking in the garden, you will be able to admire pieces of art created by mother nature: an extraordinary wisteria more than one century old, a majestic magnolia, iris, a special variety of roses made for the "Donne del Vino", and different flowers blooming in different seasons... Everything surrounded by several varieties of ivy that, over time, have covered walls and railings. You can also find various fruit plants: kiwi, blackberries, plums, pears, cherries, figs...and enjoy the garden throughout all the seasons of the year.

WEIN, BLUMEN UND PFLANZEN

Bei einem Spaziergang im Garten können Sie, je nach Jahreszeit, die „kunstvolle“ Blüte einer jahrhundertealten Glyzine, einer majestätischen Magnolie, der Iris, der Rosen der „Donne del Vino“, Dionysiarose und vieler anderer Blumen bewundern. Das ganze Jahr über erstaunt die Pracht des Efeus, das im Laufe der Zeit die Fassade und Einzäunungen bedeckt hat. Natürlich fehlen auch nicht die Obstpflanzen: Kiwis, Johannisbeeren, Pflaumen und viele mehr.
