ROSATO 2015 DOC Friuli Aquileia

Rosato Doc 2015 comes with a new and elegant floral label, and is now a new member of the "Fiore" series.

Our DOC Aquileia is the only area in Friuli producing a DOC rosé. We have made the choice to make it with grapes of the indigenous Refosco dal Peduncolo Rosso.

Very delicate and fascinating rosé colour, this wine has fine perfumes and a good acidity level. Very pleasant to drink instead of the "usual" white wine during the summer.

Perfect as aperitif, but also a good companion for fish dishes. Young character, the perfect match for every snack.

An unusual and innovative wine, very trendy, that looks extremely promising and interesting.

- Estate vineyards
- Guyot pruning
- Ideal summer, warm and not too dry
- Anticipated harvesting of grapes
- Grape production 12.000 Kg per hectare
- Separation of must from the skins before fermentation
- Fermentation of clean must at 16°C
- No malolactic fermentation
- Sterile filtration before bottling
- 3.000 bottles produced
- No anti-fermentative products used
- Full traceability of production processes
